November 2017

Dear Parents/ Carers

Welcome back to Breakfast and After School club after our half term holiday.

We have had a lovely start to the school year at both Breakfast and After School Club. We have been delighted to welcome Ben Whitbread as a new member of our staff team. Ben has brought with him real enthusiasm for both being outdoors and cooking, activities which are enjoyed immensely by our children. Everyone has settled in well and we have been really pleased that we have been able to take advantage of the good weather by playing regularly outside. The children have enjoyed playing games on the field and in the woods and have told us that hide and seek is their firm favorite. As well as exploring the great outdoors of the Vine we have had free flow play inside with various arts and crafts activities and new Lego and electronics sets.

For the safeguarding of all children please remember to inform us if your child will NOT be attending Breakfast/After School Club on any day that he/she is booked in! It is vital for your child's safety that we know of their whereabouts. If they are absent from school, going home with friends, or attending school clubs please inform the After School Club on our mobile phone number (07918561936) - you can leave a message or send a text. If your child is going with someone we are unfamiliar with please set up a password with them and us so that we can release your child to them. If you are going to be late collecting (after 6pm) please do let us know and remember that late collections will incur an additional charge.

We have now fully implemented our system of invoicing at the beginning of each term and this term all invoices must to be settled by Tuesday 19th December. Please ensure you settle your account by this date as any outstanding accounts could result in your offer of a place in Breakfast or After School Club being withdrawn. If you have any issues regarding your invoice then please speak with Steve Doidge or email him at finance@thevine.cambs.sch.uk

As winter approaches, our outdoor learning environment may be wet and muddy. As we will continue to encourage the children to play and explore our outdoors, please can you ensure your child has appropriate wet weather clothing.

Thank you for your support,
The Vine Breakfast and After School Club Team.
