SAFEGUARDING UPDATE:

Safer Internet Use

The *Digital Parenting* magazine sent home last week has some really fantastic advice and tips. Please take time out to read these and learn about keeping your children safe from online danger, including:

- ◆ checking your child's phone / tablet / laptop to make sure they are using them sensibly and appropriately for their age.
- ◆ installing filtering software
- ◆ familiarising yourself with the age ratings for games and apps—these help to indicate the level and suitability of the content.

VINE SPORTING SUPERSTARS

Yesterday The Vine football team played in a mini tournament in Cambridge. The children were wearing the new football kit and looked extremely proud and smart. The first game against St Matthews A was our toughest game. In the second game we played much better but had a second loss against Mayfield School. In our final group game we played against St Matthews B and finally we scored 3 times. League positions meant we had to play St Matthews B again. The game ended up going to penalties, after both teams scoring 4 out of their first 5 it went to sudden death, Josh produced a fantastic save which earned third place for us. Well done to all the team it's very hard to single out a player after they all did well but it is worth a mentioning Micah for being the player of the tournament. Finally a huge thank you to family and friends for coming along and supporting the boys.

Consultations by Invitation

The end of term is approaching quite quickly! Over the next few weeks some of you will be receiving an invitation to bring your child along to meet their teachers. This meeting is for children who we believe would benefit from some additional support at home, for children whose attendance is causing concern or for children who are having a tricky time for one reason or another. If you think it would be helpful to see your child's teachers before the end of term, please contact the school office and request an appointment.
