## Message from the Head Teacher

I have had an outstanding day taking the role of head. I have been supported by the strategic leadership team (Georgia, Lizzy and Dylan) and of course the deputy, Emma. It has been an incredible opportunity and I will never forget it (one in a million). This has inspired me to become a head teacher in the future. Thank you to everyone who helped me get to this stage, friends and family.  
Miss Rana (only for today).

## VINE SPORTING SUPERSTARS

Wow, what a fantastic effort this week by all at The Vine, it was great to be outside all day watching the children perform a variety of sporting activities at our annual sports days. The pupils demonstrated great skill, energy and power alongside much determination and success which was all embodied by plenty of support and cheering, by all that participated and attended. Many thanks to everyone for the role you played to ensure the children stayed active as well as hydrated on another fine summers day.

Just a reminder to everyone about keeping photos and videos for personal use and off of social media. School run clubs have now finished for the Summer term and many thanks to those who have attended or run a club this year, we have seen many successes.
