The Vine—Out and About

Year 6 Papworth

Y6 had an amazing invitation this week—they spent an afternoon at Papworth Hospital meeting a heart consultant and a lung specialist. "Amazing looking at real hearts, so different to what you would expect."

Year 1 Fitzwilliam Museum

Year 1 enjoyed a wonderful morning at the Fitzwilliam museum this week. They recreated pottery in the style of Monet, and made up poems based on his work. "Awesome time!"

Financial Matters

As we are fast approaching the end of the school year please make sure all balances are cleared before the end of term.

Treasure Island

We are so proud of our Year 6 who took to the stage this week with equal measures of confidence and courage. Both the opening and the closing night had their moments of humour and touches of anxiety but overall the whole experience was one of pure pleasure. We have such talented pupils! Many, many thanks to everyone who has helped this performance along the way—and to our appreciative audience. There can't be many schools where learning to speak pirate is on the curriculum!
