## THE VINE LEARNING CENTRE

Our Learning Centre is a very important part of school, it feels different to the rest of the school. At any time you will find small groups of learners, individual children and adults all busy, and happy. There is also a sofa with cushions and cuddlies for anyone needing to chill out. Mrs Dive looks after the Learning Centre, she organises the books, sorts out the weekly quiz and adds interesting and thought provoking questions and articles to the displays. If you haven't had the time to look around the Learning Centre we hope you will drop by during consultations to see what is going on in the very centre of our school.

## PLAYTIMES

At The Vine we really value playtime. We believe that every child should have the time to run, jump and whoop! Please make sure that your child has the right clothing to do this...coats, hats, gloves, scarves...lots of layers (all named of course!) so that playtimes are fun and active and an enjoyable part of school life.

Next week, can you use our

## PARENT CONSULTATIONS

We are really looking forward to seeing parents and carers next week. There is lots to talk about and we are looking forward to sharing all your child's STARS as well as a few of their SIGNPOSTS. We will be focusing on how parents and carers can support their children at home, for example, practicing times tables and learning key word spellings. We aim to give practical ideas for helping your child at home but if you would like further advice or guidance then just let us know. Please remember that we are on a tight timetable so, if you need more time, talk to your class teacher and they will arrange for you to come back another time. Children need their parents and their teachers to work together.

We would really like every parent/carer to understand what a day in school feels like. Therefore, we offer lots of different opportunities for you to come into school to see for yourselves. So please come along and join one of the forthcoming
